

## Create an active learning environment with creativity software!

### Wixie™

Create, Communicate, Celebrate

Wixie is an online authoring tool students can use to construct knowledge and communicate ideas. Students can use Wixie's paint tools, text options, clip art, and voice recording to develop materials for print, online storybooks, and Flash animations.

#### Wixie helps students:

- Create online - anytime and anywhere
- Work through activities that support curriculum goals.
- Share ideas through print, web, and Flash files.

Annual Per Student (min. 10 students)      Per month extension (Must be ordered with Annual Subscription)

\$3.25/year      \$.50/month/student

### Tech4Learning has introduced two Imagination Suite options for New York City Schools— the Elementary and Secondary Editions!

#### Elementary Imagination Suite

The Elementary Imagination Suite (which contains Pixie, Frames & ImageBlender), provides a platform for even the youngest students to create artwork, animations, and share their productions online.

#### Secondary Imagination Suite

The Secondary Imagination Suite (which contains Share, Frames & Pixie), provides image editing and illustration tools, combined with web authoring, to create a comprehensive tool set for 21st century literacy.

#### Elementary Imagination Suite (grades K - 5)

#### Secondary Imagination Suite (grades 6- 12)

### Pixie®

The canvas for your creativity

Pixie is exciting creativity software you can use to share ideas, imagination, and understanding through a combination of text, original artwork, voice narration, and images. Whether you work alone or in a group, Pixie is the only canvas you need.

#### Pixie helps students:

- Create original artwork with fun and easy-to-use paint tools.
- Complete and build multi-page curriculum activities.
- Collaborate in real-time with others to develop team projects.

Single 930870360 \$31.96	5 License Pack 930870379 \$112.00	35 License Pack 930870387 \$700.00	Unlimited Site License 930870395 \$2,500.00	Upgrade from: Pixie 1, 2, 3; ImageBlender 2.5; or MediaBlender 3	Single Upgrade 800044584 \$22.40	5 License Pack Upgrade 800044592 \$68.00	35 License Pack Upgrade 800044606 \$420.00	Unlimited Site License Upgrade 800155564 \$1,500.00

### Share™

Building Digital-Age Communication Skills

Share makes it easy to create interactive presentations, PDF files, and web sites. Share lets students combine text, graphics, original illustrations, animations, movies, and interactivity to demonstrate understanding and mastery.

#### Share helps students:

- Develop 21st century skills
- Construct knowledge from curriculum content
- Showcase learning artifacts

Single 800121740 \$31.96	5 License Pack 800121759 \$112.00	35 License Pack 800121767 \$700.00	Unlimited Site License 800121775 \$2,500.00	Upgrade from: Share, WebBlender, MediaBlender	Single Upgrade 800121783 \$22.40	5 License Pack Upgrade 800121791 \$68.00	35 License Pack Upgrade 800121805 \$420.00	Unlimited Site License Upgrade 800260465 \$1,500.00
--------------------------------	---	--	---	--	--	--	--	---

### Frames™

Create original animated movies!

Everyone has a story to tell and Frames is the perfect tool to tell it with. Create cartoons, stop-motion animation, clay animation, and digital stories. Frames combines illustration tools and stop-motion tools into one easy-to-use animation package.

#### Frames helps students:

- Illustrate frame-by-frame animation.
- Combine original art with text, narration, and music.
- Easily import and capture pictures for stop-motion.

--------------------------------	---	--	---	----------------------------------	--	--	--	---

## ImageBlender®

Make your digital images look great

ImageBlender is a powerful image editor that anyone can use. Save time with ImageBlender's straightforward paint tools and image options. Create stunning images with effects and layers that are truly easy to use. Adjust your digital camera photos to look just the way you want for your multimedia projects, presentations, and web pages.

ImageBlender helps students:

- Create original masterpieces with powerful, easy-to-use tools.
- Create stunning images using layers and effects.
- Crop, resize, and optimize digital camera photos.

Single 930870409 \$31.96	5 License Pack 930870417 \$112.00	35 License Pack 930870425 \$700.00	Unlimited Site License 930870492 \$2,500.00

## K12Share®

Secure online hosting for projects created in Pixie, Frames and Share

K12Share is Tech4Learning's safe, online service for publishing student work created in Pixie, Frames and Share. Using K12Share is easy! You can publish and manage your work without ever leaving the program. Simply choose K12Share in the Publish dialog and your HTML, Flash, or PDF file is uploaded instantly with a unique URL.

K12Share helps students:

- Provide a safe and secure place to publish their work.
- Host all their projects in one central location.
- View their work from any location.
