

You can save an animation in a podcast compatible format so you can share it in a podcast you have online.

Click the Make button on the toolbar.

You will see the Export Video dialog.

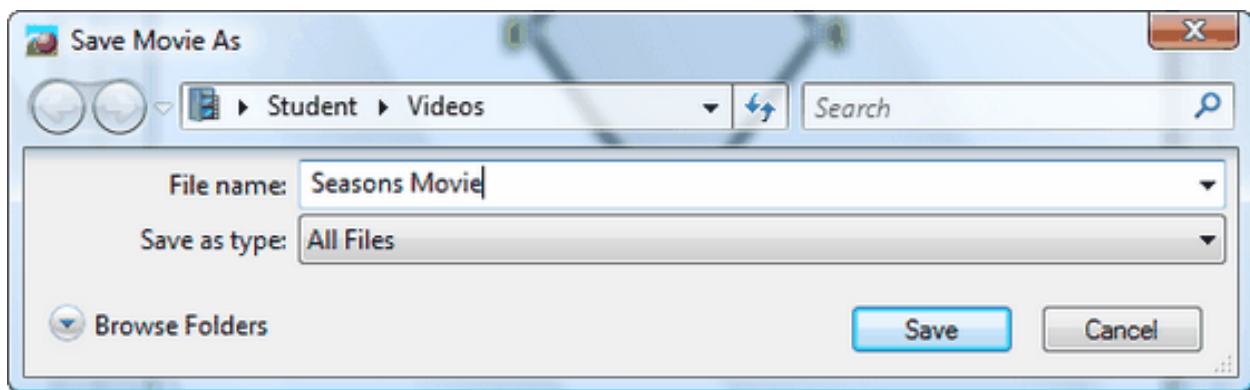

Click the Podcast button.

You will see the Save Movie As dialog.

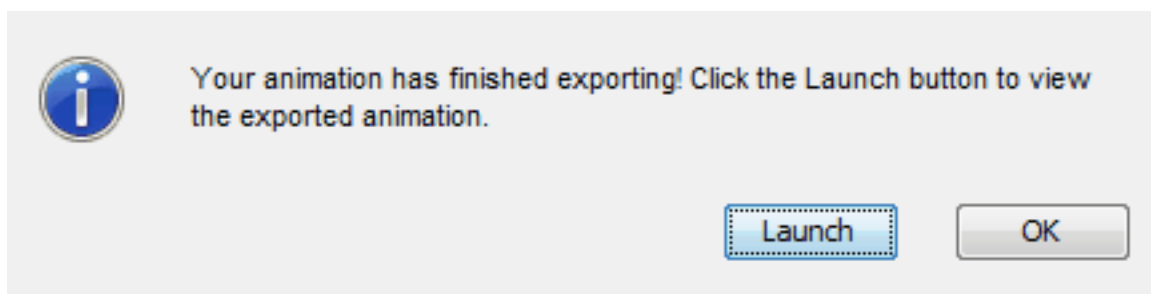

Type a name for the movie in the File name field.

Click the Save button.

Frames will create the movie.

You will see the Finished Exporting dialog.

Click the Launch button to watch the movie, or click the OK button to return to Frames.
