

## Get creative anywhere with Wixie® and netTrekker®

Wixie is an online authoring tool available to your 21st century learners wherever they are ready to learn! With Wixie, students can explore existing activities that teach and assess student understanding as well as use Wixie's paint tools, text options, clip art, and voice recording to create original work that demonstrates comprehension of classroom topics.

"One of the greatest challenges we face is providing students and teachers with a robust search engine for images, while ensuring that the results are educationally relevant. Wixie's integration of netTrekker Search images brings together the best of all options into one seamless environment that is very student-friendly."

— Jill Hobson

Forsyth County Public Schools, GA

### Wixie works with netTrekker Search!

Wixie is netTrekker Search aware, so netTrekker Search subscribers can turn on the ability to search for images from netTrekker Search right within Wixie. netTrekker Search brings digital resources into the classroom in a safe, relevant and engaging way. Wixie's direct access to the netTrekker Search image library makes it easy and efficient to gather image resources for student projects!
